The screenshot shows the 'Lenovo Integrated Management Module II' interface. At the top, there is a navigation bar with 'System Status', 'Events', and 'Service and Support'. Below this, there are status indicators: '1' with a red 'X' icon and '0' with a warning triangle icon. The main heading is 'Activation Key Management' with the subtitle 'Add, remove and export activation keys for additional functionality.' Below the heading are three buttons: 'Add...', 'Delete', and 'Export'. A mouse cursor is pointing at the 'Add...' button. Below the buttons is a table with two columns: 'Descriptor Type' and 'Feature Description'. The table contains one row with a circular icon in the 'Descriptor Type' column and the text 'Integrated Management Module Advanced Upgrade' in the 'Feature Description' column.

Descriptor Type	Feature Description
